SUBJECT:	Item 7b) Adoption of a resolution approving a revised and updated salary schedule for Landscape Maintenance Classifications

RECOMMENDED ACTION

Staff recommends a motion to adopt a resolution approving the revised salary schedule as presented.

BACKGROUND

In October 2021 the board heard that we were offering a starting wage at the top of our current entry level salary amount. The board had directed the increase of the other salaries that were affected by the adjustment at the entry level position, so that there was not significant compaction among the maintenance positions. The attached resolution contains adjustments to the Landscape Maintenance I and II positions. In November 2021 the Board further directed the adjustment up of the Maintenance II position to provide a 5% salary increase between the top of the level 1 scale and the bottom of the level 2 scale.

With adjusting the Maintenance II position salary, it was necessary to also adjust the Maintenance Supervisor position salary to provide a pay increase of 10% over the top step of the Maintenance II position.

RESOLUTION _, 2021

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE COPPER VALLEY COMMUNITY SERVICES DISTRICT APPROVING A REVISED SALARY SCHEDULE

WHEREAS, the Board of Directors approves the salary and benefit schedules for employees; and

WHEREAS, employee wages need to be increased for the positions of Landscape Maintenance I and II to be competitive in today's labor market, and for the position of Maintenance Supervisor to provide salary separation.

NOW, THEREFORE, BE IT RESOLVED that the revised salary schedule below with changes to the Landscape Maintenance I and II, and Maintenance Supervisor positions is hereby adopted and effective immediately.

1. DISTRICT ANALYSIS

1.1 District Background

The Copper Valley Community Services District (the "District") imposed the Measure A Special Tax (the "Special Tax") following the special all-mail election held by the County of Calaveras on May 2, 2017. The Special Tax has been imposed to maintain District-owned facilities including but not limited to roadways, storm drains, landscaping, lighting, wildlife easements, entrance gate facilities, weed and mosquito abatement, reserves, and administration. The Special Tax replaces the special tax levied for the same purposes previously approved by voters on May 23, 2000.

The Special Tax will be levied in perpetuity, unless and until such time the District determines that special tax revenues are no longer needed.

1.2 Levy

The following table shows the actual and maximum Fiscal Year 2021/22 special tax rates for each land use category levied within the District. Special taxes were levied at the maximum rates in Fiscal Year 2021/22. The maximum special tax rates are adjusted annually by the greater of the annual change in the Consumer Price Index published by the U.S. Bureau of Labor Statistics for All Urban Consumers in the San Francisco-Oakland-Hayward Area, as measured as of the month of December in the calendar year which ends in the previous fiscal year, or two percent (2%). In Fiscal Year 2021/22, maximum special tax rates were increased by approximately 2.00%, based upon the change in the Consumer Price Index.

The District levied 646 parcels for a total levy amount of \$1,316,392.46 in Fiscal Year 2021/22. A summary of the Special Tax levied for each land use category in Fiscal Year 2021/22 is shown below:

Land Use Category	Acres	Parcel Count	Actual FY 2021/22 Special Tax Rate	Maximum FY 2021/22 Special Tax Rate	Levied Per	FY 2021/22 Tax Levy

2. LOCAL AGENCY SPECIAL TAX AND BOND ACCOUNTABILITY ACT

Senate Bill 165, filed with the Secretary of State on September 19, 2000, enacted the Local Agency Special Tax and Bond Accountability Act (the "Act"). This Act requires that any local special tax or local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to any local special tax measure or local bond measure adopted on or after January 1, 2001 in accordance with Section 50075.1 or Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation of the Special Tax District and others are handled through annual reports. This Section of this report intends to comply with Sections 50075.3 and 53411 of the California Government Code that states:

"The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:

- 1. The amount of funds collected and expended.
- 2. The status of any project required or authorized to be funded as identified in subdivision (a) of Sections 50075.1 [and] 53410."
