Dear Mr. Kampa,

Here is a summary of the status of each of the current Task Orders.

 - We have received some of the documentation from CV Development Partners, LLC. Our office is currently reviewing these items. We have a meeting scheduled on June 14th, 2023, at 1:30 PM to review all submitted items and see what additional items may be needed.
 - I still have not received any reply from Galen Gritz concerning requested items (copies of the materials submittals, inspection reports, and record drawings related to the site).
- Task Order 23-002 – Encroachment Document Review
 - Review and recommendations for updates to Encroachment Permit Applications and related documentation was sent to District on May 30th.
- Task Order 23-003 – Sidewalk Improvements
