DATE: July 18, 2023

SUBJECT: 7 a) Adoption a Resolution to approve a Management Leave Policy

RECOMMENDED ACTION:

Staff recommends that the Board adopt the resolution approving the management leave policy.

BACKGROUND:

Two of our current positions are considered management and are compensated with a fixed salary rather than the payment of hourly wages and overtime. It is customary where managers may be required to work long hours to complete projects or assign responsibilities, that a specified amount of paid time off is provided to give these employees a break due to the occasional long hours worked. The attached draft policy language details the amount, terms and conditions for use of management leave. The draft policy proposes allocation of 40 hours of management leave in each fiscal year. The leave is replenished each fiscal year but does not accrue to more than 40 hours.

RESOLUTION NO. 2023-

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE COPPER VALLEY COMMUNITY SERVICES DISTRICT APPROVING A MANAGEMENT LEAVE POLICY

WHEREAS, the Copper Valley Community Services District (herein referred to as District) is a local Government agency formed and operating in accordance with Section §61000 et seq. of the California Government code; and

WHEREAS, in accordance with California Government Code 61045, (g) The board of directors shall adopt policies for the operation of the district, including. but not limited to. administrative policies, fiscal policies. personnel policies, and the purchasing policies; and

WHEREAS, the District desires to adopt a Management Leave policy; and

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the Copper Valley Community Services District does hereby approve Management Leave policy contained herein as Exhibit A.

THE FOREGOING RESOLUTION was introduced at a regular meeting of the Copper Valley Community Services District held on July 18, 2023 and was adopted by the following vote:

CERTIFICATE OF SECRETARY

I, Peter Kampa, the duly appointed and acting Secretary of the Board of Directors of the Copper Valley Community Services District, do hereby declare that the foregoing RESOLUTION NO. 2023 - was duly passed and adopted at a Regular Meeting of the Board of Directors of the Copper Valley Community Services District, duly called and held on July 18, 2023.

MANAGEMENT LEAVE

Upon coordination with the General Manager, salaried exempt employees will receive an allotment of paid administrative leave each fiscal year. The Site Manager and Site Superintendent will be provided forty (40) hours of administrative leave per fiscal year. Such days may be taken on a full day basis consecutively or individually following approval of the General Manager. The maximum Management leave accrual shall be forty (40) hours. Management leave shall not be eligible for buyback, or converted to other forms of leave accrual. An exchange for a cash equivalent will not be made on any balance of hours remaining at the end of each fiscal year. Employees must pass probation in order to be eligible to receive Management leave. Upon appointment to an exempt position from a non-exempt position after the start of the fiscal calendar year, the leave accrual will be pro-rated. No employee will have more than the annual allotments provided. If Management leave is not utilized in the fiscal year provided, the leave balance will be forfeited.

Adopted: July 18, 2023

BOARD MEETING AGENDA SUBMITTAL

FROM: Peter Kampa, General Manager

DATE: July 18, 2023

SUBJECT: 7 b) Consideration of expansion of the Entrance Gate Improvement Project to include

replacement of additional gate operators and contingencies

RECOMMENDED ACTION:

Staff recommends that the Board approve the proposed additions to the Gate Improvement Project pursuant to the Contractor's proposal dated July 14, 2023.

BACKGROUND:

The adopted 2023/2024 fiscal year budget contained an allocation of \$34,200 for an entrance gate controller replacement and security upgrade project. Since the budget was approved, we have consulted with legal counsel in the preparation of the construction agreement and it has been determined that with changes in state prevailing wage laws, these types of equipment replacement and upgrade projects are now considered "public works projects" and subject to the payment of prevailing wage and project registration with the Department of Industrial Relations (DIR). In addition, the contractor is required to provide a payment bond which ensures that their employees are paid in accordance with law.

Staff also agreed that we were going to include in the budget the replacement of two additional gate control mechanisms to improve reliability and reduce equipment breakdowns. The two additional replacement controllers were inadvertently left off the budget presented in June 2023. The attached proposal contains all of the desired work as well as the payment bonds required by California law.
