BOARD MEETING AGENDA SUBMITTAL

TO: CVCSD Board of Directors

FROM: Peter Kampa, General Manager

DATE: MAY 18, 2023

SUBJECT: 7a) Discussion item: Update on community Security

RECOMMENDED ACTION:

This is a discussion item only and no action is requested at this time

BACKGROUND:

The Board heard public input and comment on concerns with security in the community. District staff outlined the steps being taken including researching and identifying entrance gate security improvements, installing a gate at the maintenance yard providing support in the creation of a Neighborhood Watch program.

The purpose of this agenda item is to continue the security discussion and discuss any progress made.

BOARD MEETING AGENDA SUBMITTAL

TO: CVCSD Board of Directors

FROM: Peter Kampa, General Manager

DATE: MAY 18, 2023

SUBJECT: 7b) Discussion and direction regarding the preparation of the 2023/24 fiscal year budget

RECOMMENDED ACTION:

This is a discussion item and to provide direction to staff; no specific action is requested at this time

BACKGROUND:

The District develops its budget in the spring of each year for adoption by the end of June. In development of the 2023/24 budget it is anticipated that the general expenses will remain consistent with the projected year end expenses, increased by 3-5% for inflation and contingency. It is also recommended that the district continue to levy the special tax at the maximum amount as detailed in the NBS memorandum. Further, it is staff's recommendation that the Board consider the following projects and purchases as they make up a portion of the budget and affect our staffing proposal and other operating expenses.

Water truck transmission. \$6,542.94 Plus \$1000 for shipping it there and back. Total \$7,542.94. We are in the process of researching a low annual mileage exemption to the Class B driver's license requirements.

Concrete slabs around the shop. 8 truck loads \$12,800

Increased reserve funding for replacement of the large mower – The current mower is very close to 20 years old and should be replaced in the 2024/25 fiscal year if it doesn't die sooner. We have not yet received a quote for the new mower, but expect it to be around the \$25,000 - \$35,000. We will budget an increase in the equipment replacement fund this year to ensure we have funds available for next fiscal year.

Privacy Gate Security Improvements – The Boar has recently discussed the desire to maximize community security within our area of responsibility. Gate system improvements were identified including a new QR code reader and potentially replacement of aged gate control components - \$50,000 **Add one additional full time maintenance employee**. The district regularly has employment vacancies and issues such as the pandemic caused a significant employee shortage and difficulty keeping up with important maintenance, inspections and maintaining our high service level.

BOARD MEETING AGENDA SUBMITTAL

TO: CVCSD Board of Directors

FROM: Peter Kampa, General Manager

DATE: MAY 18, 2023

SUBJECT: 7c) Review and direction regarding the FY 23/24 Tax Roll Levy memo from NBS which

details the maximum Measure A Special Tax rate amno9unt of tax to be generated

RECOMMENDED ACTION:

Staff recommends that the Board review the attached memo from NBS and direct staff to include the maximum levy revenue in the 2023/24 budget.

BACKGROUND:

Attached is the memo calculating the maximum annual levy and revenue generation from the Measure A special tax, which is the District's only source of revenue. This memo is prepared annually by our professional consultant, NBS

MEMORANDUM

To: Copper Valley Community Services District Board of Directors

From: Christine Drazil, NBS

Date: May 18, 2023

Re: Copper Valley CSD – Measure A Fiscal Year 2023-24 Special Taxes

As the Measure A special tax was approved following votes being tallied from the May 2, 2017 special all-mail ballot election, special taxes will be levied at the following rates in Fiscal Year 2023-24:

	Fiscal Year 2023-24
Land Use Category	Special Tax Rate
Residential Lot	\$2,093.16 per Residential Lot
Large Lot Undeveloped Property	\$884.95 per Acre or Portion Thereof
Sports Club Property	\$786.63 per Acre or Portion Thereof
Golf Course Property	\$78,490.43 per Parcel

The special taxes will be levied at the maximum Fiscal Year 2023-24 special tax rates. The maximum special tax rates listed above are adjusted annually by the greater of the annual change in the Consumer Price Index published by the U.S. Bureau of Labor Statistics for All Urban Consumers in the San Francisco-Oakland-Hayward Area, as measured as of the month of December in the calendar year which ends in the previous fiscal year, or two percent (2%). In Fiscal Year 2023-24, maximum special tax rates were increased by 4.88%, based upon the change in the Consumer Price Index.

Applying the Fiscal Year 2023-24 special tax rates to the parcels that currently exist in the District, the estimated Fiscal Year 2023-24 special tax revenues are detailed below for each land use category.

	Fiscal Year 2023/24
Land Use Category	Special Tax Revenue
Residential Lot	\$1,172,169.60
Large Lot Undeveloped Property	235,335.53
Sports Club Property	2,477.86
Golf Course Property	78,490.43
Common Area / Roads	0.00
Total:	\$1,488,473.42

The Fiscal Year 2023-24 Measure A special tax levy information is expected to be submitted to the Calaveras County Auditor Controller's Office prior to the levy submittal deadline of August 10, 2023. Once the County has confirmed that the special taxes have been placed on the Fiscal Year 2023-24 roll, NBS will provide an update to the Copper Valley CSD accordingly.

Re: May Task Order Status

Dear Mr. Kampa,

Here is a summary of the status of each of the current Task Orders.

- Task Order 23-001 Quail Creek Acceptance
 - I have reached out to Kaylynn McDaniel at CV Development Partners, LLC to obtain a list of outstanding items. There have been issues with receiving emails from the team at CV that my IT consultant has identified. I informed Kaylynn of this and have not received any follow-up emails.
 - Currently, we are waiting for the list of all Assessor's Parcel Numbers, Service Addresses, and maps indicating easements to be dedicated to the CSD.
 - A letter reviewing the dedication document as prepared by CV Development was sent out with comments to be addressed.
 - An email was sent to Galen Gritz on April 11th to request copies of the materials submittals, inspection reports, and record drawings related to the site. To date, no response has been received.
- Task Order 23-002 Encroachment Document Review
 - A review is underway of the Encroachment Permit Application and associated documents. Completion of review comments will be by the end of next week (May 19th).
- Task Order 23-003 Sidewalk Improvements
 - A site visit was completed on May 9th to review the repairs. I met with Greg Hebard and Ralph McGeorge on the site.
 - An estimate for the Task Order 23-003 will be completed early next week and submitted to the CSD for review and approval.

If there is any additional information needed, please let me know.

Sincerely,

Michael Halterman, PLS 8040 Vice President – Land Surveying Benchmark Engineering, Inc.
