

# Why is Measure A Needed?

- Bring road condition up to 70 to 80 PCI to provide good quality roads and stabilize costs
- Provide funds for replacing vehicles and equipment
- Provide funding and reserves for infrastructure replacement
- Convert acres of turf to drought tolerant landscape
- Cover all operating costs including increases

# What Else Does "Measure A" Do?

- Spread the cost to **all** benefiting properties including 21% of the total to Castle & Cooke owned parcels:
  - Golf Course
  - Sports Club
  - Large Undeveloped Parcels (Castle & Cooke Future Development)
- Potentially increase annually by the CPI or 2% whichever is higher
